## MANOMETRO WATCH

THE ESQUIRE TEAM may be obsessed with watches, but we'd be the first to admit that it's not easy to come up with a timepiece that is genuinely different. That's why we fell in love with Italian designer Giuliano Mazzuoli's Manometro. Inspired by a pressure gauge, the result is simple and cool. £1,900 ([www.giulianomazzuoli.com](http://www.giulianomazzuoli.com))
