**01 CONTAGIRI 8C**

Watch designer Giuliano Mazzuoli based this special Contagiri on the Alfa 8C. Made from white gold and carbon fibre, it has 'gears' instead of a normal movement. Cost: £18,500 www.giulianomazzuoli.com

02 BLACK & DECKER DUSTBUSTER

It's not as macho as building your own house using a Workmate, but cleaning the car will look slightly cooler with this. Cost: £39.99 www.blackanddecker.co.uk

03 IWC SL

This limited-edition watch is thrown in when you buy the SL63 AMG IWC - the production run of 200 will be available in continental Europe from November. Cost: SL63 AMG IWC (€TBC)

04 DUCATI USB STICK

Only the Italians could make a USB stick that looks this good. Holds 4Gb too. Cost: £125 www.bamfordandsons.com

05 BINATONE T430

This satnav hooks up wirelessly to the rear-view camera shown. So you'll never need to bump-park again. Cost: £179.99 www.binatonecarrera.com
